

TEMPLERS REPORT WK1

Hi every one, I seem to have been elected Captain (Tim Peacock) for the next 12 months and John Adkin as Vice. This being my first effort at this I hope I can carry on (not the film version) where JEB left off.

Nine members turned up for the inaugural meeting of the new season and the weather was kind to us no wind and temperatures above freezing. Roger Green won this first outing of the new season, and Peter Jackson second. Their Hcap's will be adjusted accordingly. Doug was nearest the pin on hole 11.

The next time we meet is on 16/01/2013 and then the 20/02/2013

T off time is 09:45

See you on the GREENS
