NB 1 Channel Islands & Holland dates are currently provisional:

- We can probably do Channel Islands in 2 weeks, but Brittany probably requires 3 weeks to do it comfortably.
- Zierikzee Harbour Festival is 20/21/22 August for those that wish to attend. It would be possible to go directly to Zierikzee from Ramsgate that weekend, allowing the following fortnight to explore more of Holland, returning on 6 Sept.

NB 2 Orford Yacht Club have proposed doing a reciprocal visit to Orford/Ramsgate this summer. It would be nice to fit in a long weekend at some point – we will discuss with Orford when would be a suitable time to visit them.
